

What would you take with you to a new country?

Is it hot or cold where you are going?

What do you want to wear when you get there?

What are some things you want to take that remind you of home or your family? Why?

On a separate piece of paper, draw the items you want to take with you. Cut them out and glue them inside, Or

Get really creative and come up with your own way to pack your suitcase! (we like to use play dough to make our clothes and other stuff).

Remember! Everything has to fit inside your suitcase!
